From Theory to Practice: Mandated Reporting Reform in Action

Are you unclear about how to shift from Mandated Reporting to Mandated Supporting? Are you wondering what "Mandated Reform" really means? Join us for this FREE online workshop as Dr. Tamara Hunter, Division Chief, DCFS Family First Prevention Services Mandated Supporting Initiative, and Justin Lee, Casey Family Programs and Senior Director of Strategic Consulting for LA County, address the changes happening in our county. They will share insights, guidance, and real-world applications as we take mandated reporting reform from theory to practice.

Thursday, April 30

9am - 12pm

FREE via Zoom

[Register Here](#)

Learning Objectives

1. Increase knowledge and understanding of the systemic drivers of mandated reporting reform.
2. Learn strategies to improve:
 - a) mandated reporter decision-making and support, and
 - b) mandated reporter's ability to connect families in need with supportive resources.
3. Identify strategies to improve organizational readiness for mandated reporting reform.

Intended Audience

Mandated Reporters, Service Providers, and anyone who supports children and families in Los Angeles County

Participants must use the ZOOM app to join this workshop.

CE Credit: 3 Hours of CE credit is available for attendees who are present for the entire program.

We ask that all participants return the post-program evaluation form at the conclusion of the program.
